

# Steadyhand Equity Fund

As of December 31, 2024

# Steadyhand

## Objective

To grow your capital at a pace that significantly exceeds inflation through exposure to a focused group of Canadian and foreign companies.

## Is This Fund Suitable for You?

You have a reasonable investment time horizon (over 5 years) and a moderate to high tolerance for risk. Consider this fund if you are seeking a core equity fund that is style agnostics (not confined to a particular style, such as growth or value) and is not focused on tracking an index.

## Geographic Profile

North American-focused: The portfolio adviser looks upon the world as one stock market, but recognizes that sticking close to home is part of their competitive advantage. They invest the majority of the fund in Canadian stocks, but seek to enhance returns and minimize volatility by also investing in companies and industries that are not available in Canada.

## Strategy

The 20-25 stocks that make up this fund are a true representation of the portfolio adviser's best ideas. The fund invests in businesses of all sizes that have a history of profitability, a sustainable competitive advantage and are run by management teams that are committed to increasing shareholder value and have demonstrated an ability to appropriately allocate capital. These are the types of businesses the adviser believes will outperform the broader market over time.

Steadyhand Investment Management Ltd. is the manager to the Steadyhand Equity Fund. Commissions, trailing commissions, management fees and expenses may all be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution of optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

All posted returns assume an investment amount of \$10,000.
